NEW 2010 CHRYSLER PT CRUISER CLASSIC—ICONIC HERITAGE DESIGN, INDUSTRY-LEADING QUALITY AND LEGENDARY VALUE

The new 2010 Chrysler PT Cruiser Classic combines the iconic heritage-styled design, efficient passenger cabin space, fuel-efficient four-cylinder powertrain and industry-leading quality in a new model loaded with legendary value.

In commemorating nearly a decade of the PT "Personal Transportation" Cruiser's timeless design, the new Chrysler PT Cruiser Classic embodies the romance of American automotive heritage, styling and versatility that made PT Cruiser an instant hit.

Chrysler PT Cruiser Classic's unique fenders, roofline and high belt-line proportions recall 1930s and 1940s hot-rod styling—while chrome body-side moldings, door handles, 16-inch wheels and grille highlight PT Cruiser Classic's high level of detail and style.

Inside the new Chrysler PT Cruiser Classic continues to lead the small-car segment with its combination of style, craftsmanship and flexibility. Chrome rings highlight the Bright Silver Metallic instrument panel's three gauges, rotating air vents and Chrysler signature analog clock. A retro proportioned leather-wrapped steering wheel features four spokes with Satin Silver accents and a small center airbag cover for easy viewing of the large gauges. A Satin Silver center stack features conveniently placed climate controls and radio with MP3 input jack, while the center console features a sliding armrest with covered storage.

The PT Cruiser Classic features 32 front- and rear-seat configurations to accommodate any cargo need quickly and conveniently. Command-of-the-road five-passenger seating provides chair-height seating comfort with an elevated second-row for improved visibility and passenger legroom. An available fold-flat front-passenger seat accommodates longer items, such as a ladder or snowboard. PT Cruiser Classic's 50/50 split-fold rear seats fold-and-tumble to offer quick access for additional room and can be completely removed for up to 62.7 cu. ft. (1.78 cu. m) of cargo space. The tailgate also features a five position shelf panel for additional interior flexibility and utility.

With rising fuel costs attracting consumers to smaller, versatile, more fuel-efficient vehicles—Chrysler PT Cruiser Classic delivers with a time-tested 2.4-liter four-cylinder 16-valve engine that delivers efficiency with spirited performance.

High-quality, craftsmanship, performance and functionality continue to give the award-winning Chrysler PT Cruiser a leg up on the competition. For years, leading consumer magazines and third-party studies have recommended the Chrysler PT Cruiser for its consistently high levels of quality and refinement. In fact, the PT Cruiser tied for first place in J.D. Power's 2009 Initial Quality Survey (IQS).

Chrysler continues to keep its icon fresh and exciting. The new 2010 Chrysler PT Cruiser Classic marked the 15th variation since PT Cruiser's introduction, following five Dream Cruiser Series vehicles, PT Turbo, Flames, Woodie, Chrysler PT Cruiser Convertible, the refreshed 2006 Chrysler PT Cruiser, W.P. Chrysler Signature Series, PT Street Cruiser Route 66, Pacific Coast Highway and Sunset Boulevard editions.

2010 CHRYSLER PT CRUISER SPECIFICATIONS

All dimensions are in inches (millimeters) unless otherwise noted.
All dimensions measured at curb weight with standard tires and wheels.

GENERAL INFORMATION

Body Style	Four-door multi-purpose hatchback
Assembly Plant	Toluca, Mexico
EPA Vehicle Class	Two-wheel-drive special purpose vehicle

ENGINE: 2.4-LITER, DOHC, 16-VALVE SMPI I-4

Availability	Standard
Type and Description	Four-cylinder, in-line, liquid-cooled
Displacement	148.2 cu. in. (2429 cu. cm)
Bore x Stroke	3.44 x 3.98 (87.5 x 101)
Valve System	Belt-driven DOHC, 16 valves, stamped-steel roller followers, hydraulic lash adjusters
Fuel Injection	Sequential, multi-port, electronic
Construction	Cast-iron block, cast-iron bedplate, aluminum alloy head, balance shafts
Compression Ratio	9.5:1
Power (SAE net)	150 bhp (112 kW) @ 5,100 rpm (62.5 bhp/L)
Torque (SAE net)	165 lb.-ft. (220 N•m) @ 4,000 rpm
Max. Engine Speed	6,240 rpm, electronically limited
Fuel Requirement	Unleaded regular, 87 octane (R+M)/2
Oil Capacity	4.5 qt. (4.3L) with dry filter
Coolant Capacity	7.4 qt. (7.0L)
Emission Controls	Three-way catalyst, heated oxygen sensor, internal engine features
Max. Gross Trailer Weight	1,000 lbs. (454 kg) (20 sq. ft.) maximum allowable frontal area
EPA Fuel Economy mpg (City/Hwy)	19/24 automatic

ELECTRICAL SYSTEM

Alternator	120-amp
Battery	540-amp, Group 26R, maintenance-free

TRANSAXLE: AUTOMATIC, FOUR-SPEED OVERDRIVE

Availability	Standard
Description	Electronic control, electronically modulated converter clutch
Gear Ratios	
1st	2.84
2nd	1.57
3rd	1.00
4th	0.69
Reverse	2.21
Final-drive Ratio	3.91
Overall Top-gear	2.694

Seat Travel	9.0 (228)
Rear	
Head Room	39.5 (1003)
Leg Room	40.9 (1039)
Shoulder Room	53.6 (1360)
Hip Room	46.7 (1186)
SAE Volume, cu. ft. (cu. m)	49.3 (1.40)
SAE Cargo Volume Aft of Rear Seat, cu. ft. (cu. m)	21.6 (0.61)
SAE Cargo Volume Rear Seat Out, cu. ft. (cu. m)	62.7 (1.78)
Load Capacity, lbs. (kg)	115 (52)
EPA Interior Volume Index, cu. ft. (cu. m)	120.5 (3.411)

BODY

Layout	Transverse front engine, front-wheel drive
Construction	Steel unibody

SUSPENSION

Front	MacPherson struts, asymmetrical lower control arms, coil springs and link-type stabilizer bar
Rear	Trailer arms, twist-beam axle, Watt's linkage, coil springs, gas-charged shock absorbers

2010 CHRYSLER PT CRUISER SPECIFICATIONS

STEERING^(C)

Type	Power rack-and-pinion
Overall Ratio	18:1
Steering Turns (Lock-to-lock)	2.8
Turning Diameter (curb-to-curb)	40.2 ft. (12.3 m)

(C) with 16-inch tires and automatic transaxle

WHEELS

Availability	Standard
Type and Material	Cast-aluminum
Size	16 in. x 6 in.

TIRES

Availability	Standard
Size and Type	P205/55R16 89T All-season Touring
Mfr. and Model	Goodyear Eagle LS
Revs per Mile (km)	840 (522)

BRAKES

Front	
Size and Type	11 x 0.9 (280 x 23) vented disc with 2.25 (57) single-piston sliding caliper with ABS and low-speed traction control
Swept Area	227.2 sq. in. (1466 sq. cm)
Rear	
Size and Type	10.62 x 0.35 (270 x 9) solid disc with 1.42 (36) single-piston caliper with ABS and low-speed traction control
Swept Area	85.7 sq. in. (553 sq. cm)
Power Assist Type	Tandem-diaphragm vacuum
