The Fiat 500 Continues to Make Waves

July 21, 2013, Auburn Hills, Mich. - Three specially constructed Fiat 500 models built on top of high-powered personal watercraft entertained the audience during the 2013 Vans U.S. Open of Surfing in Huntington Beach, Calif. A Fiat 500 in Rame (orange), Fiat 500 Cabrio in Bianco Perla (pearl white) and a Fiat 500 Abarth in Rosso (red) glided across the surface of the Pacific, entertaining thousands of surf fans during the competition's opening day. The FIAT brand has built some extra watercraft, including a version of the all-new Fiat 500L, so stay tuned. The Italians keep on coming.
