2016 Chrysler 200 Sedan: Captivating Drivers and Passengers with its Simple Elegance, an Extraordinary Driving Experience and Cool Features – at a Value Customers Will Appreciate

- Inspired by iconic American design, the 2016 Chrysler 200 delivers beautiful craftsmanship using high-quality materials, understated elegance, is loaded with state-of-the-art technology and safety features and delivers highway fuel economy of up to 36 miles per gallon (mpg)
- 2016 Chrysler 200 features pioneering drivetrain technology, including a standard nine-speed automatic transmission, state-of-the-art electronic shifting and an all-wheel-drive system with an automatic, fully disconnecting rear axle, improving fuel economy by reducing parasitic loss when all-wheel drive is not needed
- 2016 Chrysler 200 offers 60 available safety and security features, including a rear backup camera, Blind-spot Monitoring, Rear Cross Path detection, Adaptive Cruise Control-Plus, LaneSense Plus with lane keep assist, Forward Collision Warning-Plus and Parallel and Perpendicular Park Assist

August 31, 2015, Auburn Hills, Mich. - The 2016 Chrysler 200 provides drivers and passengers a beautifully crafted car with an elegantly simple style, an exhilarating driving experience, state-of-the-art and easy-to-use technology, 60 advanced safety and security features and fuel economy ratings of up to 36 miles per gallon (mpg.) The 2016 Chrysler 200 is the mid-size sedan for customers who have earned a little luxury in their life, but demand value for their money.

2016 is the 90th year of Chrysler as a brand. To celebrate, a 90th Anniversary Package is being produced for the 2016 Chrysler 200 Limited model. The special edition package reflects the tenets of the Chrysler brand – a car that is packed with features that customers value, at a price they appreciate.

In addition to the standard features on the 2016 Chrysler 200 Limited model, the 90th Anniversary Package adds as standard equipment: 8.4-in. touchscreen radio with Uconnect Access and SiriusXM Radio, a sunroof, Convenience Group (one-year SiriusXM Radio, body-color power heated mirrors, leather-wrapped steering wheel, power four-way driver lumbar adjust, power eight-way driver seat and sun visors with illuminating vanity mirrors), front floor mats with Chrysler Anniversary logo and unique Chrysler Anniversary screen logo on the 8.4-inch touchscreen.

Also new for the 2016 model year, Chrysler fine-tunes the 200 lineup in response to customer feedback. Changes include:

- Rear backup camera is now standard equipment on the Limited and S models
- Blind-spot Monitoring and Rear Cross Path detection are available as a standalone option on the Limited models
- The 3.6-liter Pentastar V-6 engine is now optional for Limited models
- Heated steering wheel is a standard feature on 200C models
- Front driver and passenger seat firmness has been improved
- Three new exterior paint color choices for the 2016 model year:
 - Black Forest Green Clear Coat
 - Maximum Steel Clear Coat
 - Redline Tri-coat Pearl Coat

For 2016 Chrysler 200 vehicles equipped with the 8.4-inch touchscreen, Uconnect is introducing new features that include the all-new Drag and Drop menu bar, Siri Eyes Free and Do-Not Disturb.

- **Drag and Drop Menu Bar:** Chrysler 200 owners now have the ability to personalize their touchscreen controls to fit their lifestyle and have one-button access to the features and services they value most. From Travel Link and Yelp to heated or cooled seats, drivers now can simply drag their favorite feature or service icon from the apps menu and move them to their Uconnect system's main menu bar
- **Siri Eyes Free:** An extension of voice recognition via the voice button on the steering wheel and compatible with an Apple iPhone 4s or later, with Siri Eyes free, drivers can speak natural language voice commands to send text messages, play music, dictate and send emails, set reminders, place phone calls and access turn-by-turn directions. Driver's will simply push and hold the voice recognition button on the steering wheel until the Siri screen appears on the 8.4-inch touchscreen and hear the audible tones
- **Do Not Disturb:** Vehicle owners who prefer not be interrupted with phone calls or text messages while driving can choose to turn on the new "Do Not Disturb" and "Reply with Text Message" feature. Located within the Uconnect system's phone screen, once enabled with a the push of a button or via voice command, the Do Not Disturb icon will route all incoming mobile calls to voicemail and suppress text messages. If the vehicle owner chooses to enable the Do Not Disturb feature, they also have the ability to send a default or customized response once a call or text message is received.

Since the introduction of the all-new Chrysler 200 in the spring of 2014, the car has resonated with consumers with steadily increasing sales. Sales of the all-new Chrysler 200 are outpacing the combined sales of the outgoing Chrysler 200 and Dodge Avenger.

The 2016 Chrysler 200 delivers a beautiful exterior design, a thoughtful, exquisitely crafted interior and an exceptional driving experience, complements of a segment-first nine-speed automatic transmission and the Compact U.S.Wide (CUS-wide) chassis. With the choice of two world-class engines, an innovative all-wheel-drive system, available sport mode and paddle shifters for an engaged driving experience, and estimated highway fuel economy of 36 mpg, the 2016 Chrysler 200 makes the commute something drivers will look forward to.

For peace of mind when driving, the 2016 Chrysler 200 offers 60 available safety features and state-of-the-art, easy-to-use technology that keeps drivers and passengers connected.

The 2016 Chrysler 200 sedan will offer consumers ten different exterior color choices from which to choose: Velvet Red Pearl Coat, Vivid Blue Pearl Coat, Granite Crystal Metallic Clear Coat, Billet Silver Metallic Clear Coat, Black Clear Coat, Bright White Clear Coat, Deep Forest Green Clear Coat, Maximum Steel Clear Coat, Phantom Black Tri-coat Pearl Coat and Redline Red Tri-coat Pearl Coat.

The 2016 Chrysler 200 is designed, engineered and built with pride in Michigan. With a major investment of more than \$1 billion, FCA US Sterling Heights (Michigan) Assembly Plant (SHAP), once slated for closure, sports an all-new paint shop using leading-edge technology, a new, fully robotic body shop and an upgraded assembly area, setting the stage for the world-class craftsmanship found in the all-new 200.

The 2016 Chrysler 200 competes in the mid-size sedan segment, one of the largest segments in North America, with more than 2 million sales annually. Roughly one of every six new vehicles sold in the United States is a mid-size sedan.

The primary customer for the all-new 2016 Chrysler 200 is motivated to succeed and works hard. The buyer is smart about what they purchase, but is willing to pay more for high quality. They want a vehicle that matches their achievements; one that is practical yet advanced and has an interior with a wow factor.

The 2016 Chrysler 200 customer is split with roughly 57 percent of the customers male and 43 percent of the customers female. The primary customer has a median age of 35 and a median household income of \$76,000. They are a college graduate and married without children at home.

Consumers can choose from four models for the 2016 Chrysler 200: 2016 Chrysler 200 LX model, Chrysler Limited model, Chrysler 200S model and the premium Chrysler 200C.

The 2016 Chrysler 200 will arrive in dealer showrooms in the third quarter, 2015.

2016 CHRYSLER 200 MODEL LINEUP

2016 Chrysler 200 LX

The Chrysler 200 LX model delivers a simple, elegant design, world-class craftsmanship, fuel economy estimated at 36 mpg highway and standard features not typically found on an entry level mid-size sedan: a segment-exclusive nine-speed automatic transmission, state-of-the-art electronic shifting with rotary dial, electronic park brake with SafeHold and an innovative center console with sliding cup holders and concealed charging/media center and center pass-through.

The 200 LX model is powered by the new 2.4-liter MultiAir®2 Tigershark I-4 engine, which produces 184 horsepower and 173 lb.-ft. of torque, delivering excellent fuel economy of 36 mpg highway. It is mated to the segment-exclusive nine-speed automatic transmission.

Chrysler Brand

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, and advanced innovation and technology since the company was founded in 1925. Chrysler continues to build on that nearly 100-year legacy of creating ingenious products and technologies for mainstream customers, moving forward on an electrified transformation that will launch the brand's first battery-electric vehicle in 2025 and an all-electric portfolio in 2028.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler created 40 years ago. The Chrysler Pacifica Plug-in Hybrid symbolizes the brand's electrification evolution, representing the first electrified minivan in the segment and achieving 82 MPGe, an all-electric range of 32 miles and a total range of 520 miles. Chrysler Pacifica delivers the most standard safety features and most advanced available all-wheel-drive system in its class and is also the most awarded minivan over the last seven years with more than 175 honors and industry accolades since its introduction as a minivan.

Chrysler is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
