2017 Fiat 124 Spider Offers Features for Added Technology, Comfort and Convenience

- Available communication, entertainment and convenience features keep drivers connected and comfortable
- FIAT Connect systems offer available 7-inch touchscreen, Bose premium sound system, Bluetooth connectivity and ParkView rear backup camera

November 18, 2015, Auburn Hills, Mich. - The all-new 2017 Fiat 124 Spider offers a range of technologies, helping to enhance the fun-to-drive nature of the vehicle, and keep drivers connected and safe.

The 124 Spider comes standard with a three-gauge cluster, featuring a large analog tachometer in the center, a speedometer on the right and an information display on the left, allowing drivers to easily monitor vehicle information.

In addition to a full array of safety and security features, a collection of technologies provide additional comfort and convenience, including available Keyless Enter 'n Go, heated front seats, heated side mirrors, auto-dimming rearview and side mirrors and automatic temperature control.

FIAT Connect systems

The all-new Fiat 124 Spider features the easy-to-use FIAT Connect systems. The FIAT Radio 3.0, standard on the Classica, includes AM/FM radio, MP3 player, USB port, auxiliary input and six speakers. Bluetooth connectivity with handsfree calling and streaming audio is also standard.

The FIAT Connect 7.0 system, standard on the Lusso and available on the Classica, includes a 7-inch touchscreen display, AM/FM radio, HD Radio, MP3 player, two USB ports, auxiliary input, six speakers, multimedia control, Bluetooth connectivity and ParkView rear backup camera.

Standard on the FIAT Connect 7.0, voice recognition allows drivers to operate their mobile phone, music and navigation system handsfree, to stay focused on driving. Voice-text reply also allows drivers with a compatible mobile phone to reply to a text message using predefined responses.

Other available options with the FIAT Connect 7.0 include SiriusXM Radio and navigation. For superior sound quality even with the top down, a Bose premium sound system with nine speakers, including dual headrest speakers per seat and a subwoofer, is available.

For added entertainment, FIAT Connect 7.0 also provides drivers with access to Pandora, Aha and Stitcher Internet radio apps via Bluetooth connectivity.

Aha by HARMAN

Aha makes it easy to instantly access more than 30,000 stations of audio content, including leading Internet music services, Internet radio, news, entertainment, audiobooks, Facebook and Twitter newsfeeds, weather and more.

Pandora

Pandora gives people music they love anytime, anywhere. Personalized radio stations launch instantly, with the input of a favorite artist, song, comedian or musical genre. The Music Genome Project, a deeply detailed, hand-built musical taxonomy, powers the personalization of Pandora by using musicological "DNA" and constant listener feedback to craft personalized stations from a growing collection of more than a million tracks.

Stitcher

Stitcher Radio is an application that provides access to thousands of radio shows and podcasts streamed directly to devices without downloading or syncing. Discover the best news, entertainment, sports and talk radio, on demand. Recommended content is automatically selected by registering content added to Favorites, or by thumbs-up and thumbs-down rankings.

FIAT Brand

FIAT brand celebrates 125 years as an automaker and some things haven't changed. Iconic Italian design and refinement, plus a fun-to-drive factor, come standard with every Fiat.

In early 2024, FIAT brand will launch the [Fiat 500e](#), the first Stellantis retail battery-electric vehicle offering in North America and the best-selling city EV in Europe.

FIAT is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com
