FCA Canada: Alfa Romeo Announces Pricing for All-New Stelvio and Stelvio Ti

- An SUV for the S-Curves, Stelvio's iconic Alfa Romeo design and genuine Italian craftsmanship combine to create a premium mid-size SUV that truly stands apart
- All Stelvio models feature a near perfect 50/50 weight distribution, class-leading power and performance and an eight-speed automatic transmission with available steering column-mounted aluminum paddle shifters with gear shifts in less than 100 milliseconds
- Stelvio comes very well-equipped with many standard premium features, including a direct-injection 280 hp turbocharged and intercooled 2.0L engine delivering 0-60 mph in an estimated 5.4 seconds (0-100 km/h in 5.5 seconds), DNA drive mode selector, genuine leather interior, heated front seats, heated steering wheel, remote start with passive entry, bi-xenon headlamps, dual exhaust, carbon-fibre driveshaft, flat-bottom Formula One-inspired steering wheel, 7-inch TFT and much more
- Stelvio Ti (*Turismo Internazionale*) adds 19-inch wheels, genuine wood interior accents, an 8.8-inch widescreen entertainment and information display, 3D Navigation, SiriusXM satellite radio and much more
- The innovative Q4 all-wheel-drive (AWD) system – standard on all Stelvio models, including the Quadrifoglio – provides additional driving confidence and superior control
- Stelvio also offers innovative safety and security features and leverages advanced driver-assist features, including available Full-speed Forward Collision Warning-Plus
- Stelvio and Stelvio Ti go on sale later this summer with an MSRP of \$52,995 and \$54,995, respectively
- Stelvio Quadrifoglio pricing and timing will be announced later this year

May 10, 2017, Windsor, Ontario - Alfa Romeo today announced pricing for the highly-anticipated 2018 Alfa Romeo Stelvio and Stelvio Ti. The Stelvio lineup brings world-class performance, state-of-the-art technologies, seductive Italian style and an exhilarating driving experience to the premium mid-size SUV segment.

"The all-new Stelvio further highlights and expands Alfa Romeo's return to North America with a premium mid-size SUV that truly stands apart in the segment," said Reid Bigland, Head of Alfa Romeo. "As an SUV that could only be born in Italy, the entire Stelvio lineup delivers class-leading power, exceptional driving dynamics, standard all-wheel drive, advanced technologies, gorgeous Italian design and a race inspired driving experience."

Three exhilarating, capable Stelvio models showcase Alfa Romeo's captivating mix of Italian performance, style and technology

Crafted by Alfa Romeo artisans at the Cassino plant in Italy, the all-new 2018 Stelvio lineup is a testament to Alfa Romeo's perfect balance of engineering and emotion, creating a premium mid-size SUV for driving enthusiasts that stands out in one of the fastest growing segments in Canada.

2018 Alfa Romeo Stelvio

- Manufacturer's suggested retail price (MSRP) for the 2018 Alfa Romeo Stelvio is \$52,995 (excluding \$1,795 destination)
- Alfa Romeo Stelvio features an all-aluminum, 2.0-litre, direct-injection turbocharged engine that generates a class-leading, standard 280 horsepower and 306 lb.-ft. of torque. Paired with an eight-speed automatic transmission, Stelvio launches from 0-60 mph in an estimated 5.4 seconds (0-100 km/h in 5.5 seconds) with a top speed of 232 km/h (144 mph)
- The all-new, well-equipped Alfa Romeo Stelvio comes standard with Alfa DNA drive mode selector,

carbon fibre driveshaft, dual exhaust with bright tips, 18-inch aluminum wheels (19- and 20-inch wheels available), leather seating, heated front seats, heated steering wheel, bi-xenon headlamps with signature LED daytime running lights and LED tail lamps, backup camera with rear park sensors, remote start, passive entry with Keyless Go, power liftgate, Formula One-inspired flat-bottom steering wheel with integrated push button start

- Available Sport Package (\$2,500 MSRP) adds 19-inch wheels, sport-tuned suspension, steering column-mounted aluminum paddle shifters, sport steering wheel, genuine aluminum accents, gloss-black window trim surround, black roof rails, aluminum sport pedals and footrest, coloured brake calipers and much more

2018 Alfa Romeo Stelvio Ti

- Manufacturer's suggested retail price (MSRP) for the 2018 Alfa Romeo Stelvio Ti model is \$54,995 (excluding \$1,795 destination)
- In addition to the expansive list of standard features in the all-new Stelvio, Stelvio Ti adds even more premium content and convenience offerings, including standard 19-inch wheels, genuine wood interior accents, an 8.8-inch widescreen entertainment and information display, 3D Navigation, SiriusXM satellite radio, front park sensors, and much more
- Available Ti Sport (\$2,500 MSRP) and Ti Lusso packages (\$3,250 MSRP) provide drivers with two unique offerings that further accentuate the bold characteristics of Stelvio Ti
- Ti Sport adds 20-inch wheels, sport-tuned suspension, 12-way power high-performance sport leather seats including 4-way lumbar and power bolsters with thigh extender, steering column-mounted aluminum paddle shifters, sport steering wheel, gloss-black window trim surround, black roof rails, aluminum sport pedals and footrest, and coloured brake calipers and much more
- Ti Lusso (late availability) includes 19-inch wheels, Luxury Pieno Fiore Italian leather seats with Cannelloni inserts, 12-way power front seats including 4-way lumbar, leather-wrapped dash and upper door trim with accent stitching, genuine wood trim in dark grey oak or Lusso-exclusive light walnut, luxury steering wheel, aluminum pedals and footrest and much more

All three Stelvio models offer:

- The intelligent Q4 all-wheel-drive system – standard on all Stelvio models, including Quadrifoglio – delivers even more all-season traction and performance capability, thanks to the system's ability to transfer up to 60 percent of the engine's torque to the front axle
- Near perfect 50/50 weight distribution, torsional rigidity and an 11.8:1 steering ratio, thanks to Stelvio's rear-wheel-drive Alfa Romeo exclusive Giorgio architecture
- Unique Italian style and craftsmanship
- More than 105 years of brand history, carving its legend on road courses around the globe
- Innovative Alfa DNA Drive Mode Selector modifies the dynamic behavior of the Stelvio, according to the driver's selection:
 - **Dynamic:** Delivers sharper brake and steering feel with more aggressive engine, transmission and throttle tip-in calibrations
 - **Natural:** Comfort setting for balanced daily driving
 - **Advanced Efficiency:** Eco-friendly mode to achieve the lowest fuel consumption

Peace of mind: safety and security

The all-new Alfa Romeo Stelvio offers innovative standard and available safety and security features and leverages advanced driver-assist features, including:

- Full-speed Forward Collision Warning – Plus: Provides autonomous braking and, under certain circumstances, slows or brings the vehicle to a full stop when frontal collision appears imminent
- Adaptive Cruise Control – Plus with Full Stop: Helps maintain distance from the vehicle ahead and, under certain traffic conditions, the system can bring the Stelvio to a full stop without driver intervention
- Lane Departure Warning: Alerts the driver of inadvertent lane departure

To help rear visibility both on the road and in parking situations, Blind-spot Monitoring, Rear Cross Path detection and front- and rear-park assist sensors are also available.

In addition, the Alfa Romeo Stelvio features advanced multistage driver and front-passenger air bags; driver and front-passenger seat-mounted side air bags; front and rear side curtain air bags; and driver and front-passenger inflatable knee air bags.

FCA Canada

Founded as the Chrysler Corporation in 1925, FCA Canada Inc. is based in Windsor, Ontario, and celebrates its 97th anniversary in 2022. FCA Canada is a wholly owned subsidiary of FCA, a North American automaker based in Auburn Hills, Michigan and member of the Fiat Chrysler Automobiles N.V. (FCA) family of companies. FCA Canada has approximately 440 dealers that sell Chrysler, Dodge, Jeep®, Ram, FIAT and Alfa Romeo products, as well as SRT performance products. The company also distributes Mopar and Alfa Romeo parts and accessories. In addition to its assembly facilities, which produce the Chrysler Pacifica, Chrysler Pacifica Hybrid, Chrysler Voyager and Chrysler Grand Caravan (Windsor) and Chrysler 300, Dodge Charger and Dodge Challenger (Brampton), FCA Canada operates an aluminum casting plant in Etobicoke, a research and development centre in Windsor, and has sales offices and parts distribution centers throughout the country.
