November 29, 2022, Auburn Hills, Mich. - The Jeep® brand is diversifying the Gladiator palette, adding the Earl exterior paint color to the 2023 lineup.

Initially featured on the Gladiator Farout concept, Earl, a bold shade of gray with hints of aquamarine, joins the Gladiator lineup following its production debut earlier this year on the 2023 Wrangler lineup.

"The Jeep community voiced a ton of positive feedback for Earl when it debuted on the Gladiator Farout concept," said Jim Morrison, senior vice president and head of Jeep brand North America. "We work to deliver what our customers tell us they want, and Earl is the latest example of another standout shade that speaks to our loyal and avid Jeep community."

Earl joins High Velocity, Firecracker Red, Hydro Blue, Sarge Green, Silver Zynith, Sting-Gray, Granite Crystal, black and Bright White as available exterior paint colors for the [2023 Jeep Gladiator](#).

Available on all Gladiator models, including Sport, Overland, Rubicon and Mojave, the Earl exterior paint option is available now for ordering and is priced at a U.S. manufacturer's suggested retail price (MSRP) of \$695.
