Mopar Provides Gift Ideas for Dads and Grads

- Plenty of gift ideas for dads and grads among hundreds of Mopar accessories and merchandise items available at Mopar.com
- Authentic Mopar merchandise, including a special HEMI® 50th anniversary product line is available at WearMopar.com
- More than 280,000 proven authentic quality-tested parts and accessories are available via the Mopar e-store or through an authorized dealer

June 12, 2014, Auburn Hills, Mich. - Stumped on what to get dad for Father's Day? Looking for something fun to celebrate a recent graduate's success? Mopar is happy to provide a few great gift ideas with hundreds of fun and authentic merchandise items in addition to quality auto parts and accessories for every budget.

"Mopar has a vast selection of accessories and fun merchandise items that make great gifts for Father's Day or graduations," said Pietro Gorlier, President and CEO of Mopar, Chrysler Group's service, parts and customer-care brand. "More than 280,000 proven quality-tested parts and accessories are available from the Mopar.com e-store or an authorized dealer, along with authentic apparel and gear, collectors' items and a unique HEMI® 50th anniversary line of merchandise all of which make wonderful presents for dads and grads."

Authentic merchandise for Mopar dads and die-hard gear-head graduates, including a special HEMI 50th anniversary merchandise line commemorating the introduction of the iconic second-generation (Gen II) 426 Race HEMI engine is available at WearMopar.com.

Here are just a few suggestions:

HEMI 50th Anniversary Medallion With Box — \$83.95

This handcrafted, custom, commemorative HEMI 50th Anniversary Medallion epitomizes the tradition and legacy of the HEMI 426 engine celebrating its 50th anniversary this year. Made of heavy-brass material, the special-edition medallion measures 2.75 inches in diameter, has an antique orange enamel finish and comes packaged in a cherry wood pocket box that doubles as a display stand.

This stage kit offers gains of up to 18 horsepower and 18 lb.-ft. of torque, and includes a Mopar cat-back exhaust, Mopar cold air intake (dependent on vehicle) , Stage 1 performance PCM, Mopar low restriction oil filter and two Scat Pack 1 stage kit hard badges.

A complete list of authentic parts and accessories is available at www.mopar.com.

Mopar Brand

Mopar (a simple contraction of the words Motor and PARTs) was trademarked in 1937 with the launch of an antifreeze product but truly made its mark in the 1960s during the muscle-car era. From Mopar Performance Parts to enhance speed and handling for both road and racing use, the brand soon expanded to include technical service and customer support.

Today, Mopar is FCA's service, parts and customer-care brand and distributes more than 500,000 parts and accessories in more than 130 markets, integrating service, parts and customer-care operations in order to enhance dealer and customer support worldwide. Mopar is the source for genuine parts and accessories for FCA brands.

Mopar parts are unique in that they are engineered with the same teams that create factory-authorized vehicle specifications for FCA vehicles – a direct connection that no other aftermarket parts company can provide. A complete list of Mopar accessories and performance parts is available at www.mopar.com.

Mopar-first Features

Mopar has introduced numerous industry-first features including:

- **Vehicle-information apps:** first to introduce smartphone vehicle-information applications, a new channel of communication with customers
- **Electronic owner manuals:** first to introduce traditional owner manuals in a DVD and brief user-guide format. First to offer complete vehicle-information kits in Spanish
- **Wi-Fi:** first to offer customers the ability to make their vehicle a wireless hot spot
- **Wireless charging:** first to introduce in-vehicle wireless charging for portable devices
- **Electronic Vehicle Tracking System (EVTS):** first to market with interactive vehicle tracking device that sends owner a text when vehicle is driven too fast or too far based on pre-set parameters
- **wiAdvisor:** first to provide factory-connected tablet technology in the service lane for instant vehicle diagnosis
- **wiTech:** first to support vehicle diagnosis and software updates leveraging off-the-shelf personal computers and a dedicated wireless tool network
- **2011 Mopar Challenger Drag Pak:** first to introduce a 500-plus cubic-inch V-10 drag-race package car
