- Awards honor vehicles with the best value in each vehicle segment

March 27, 2015, Auburn Hills, Mich. - Vincentric has named the 2015 Jeep® Wrangler and 2015 Ram 1500 winners of its 2015 Vincentric Best Value in America Awards.

For a fourth consecutive year, Jeep Wrangler has been named the winner of the Vincentric Best Value in America award for the Compact/Mid-size SUV segment, while the Ram 1500 received the Vincentric Best Value in America award for the Full-size 1/2-ton Pickup segment.

“The Ram 1500 and the Jeep Wrangler earned Vincentric Best Value in America awards by delivering best-in-class performances when we measured total cost of ownership and compared it to expected results for the competitors in each vehicle’s segment,” said David Wurster, Vincentric President. “Contributing to their success was that both vehicles had the lowest total cost of ownership over five years in their respective classes.”

The Vincentric Best Value in America awards are model-specific honors that determine the best value in each segment. Value is determined using a statistical analysis that incorporates the total cost of ownership of all vehicles for the 2015 model year along with the current market price of those vehicles.
