- 2016 Ram 1500 named Large Pickup Truck Best Buy every year since 2009 model year

November 11, 2015, Auburn Hills, Mich. - The automotive editors at Consumer Guide® awarded three FCA U.S. vehicles the 2016 Best Buy distinction.

Dodge Durango earns the Best Buy Award in the Large SUV segment for the fourth consecutive year, the Jeep® Renegade secures the Best Buy Award among Subcompact SUVs and Ram 1500 captures the Best Buy Award for Large Pickup Trucks for the eighth straight year.

"We are pleased to recognize FCA's enduring success in the Large SUV and Large Pickup Truck classes," said Tom Appel, Publisher of Consumer Guide Automotive. "We are equally pleased to award the newest Jeep crossover Best Buy status for 2016."

Consumer Guide Automotive editors thoroughly evaluate more than 150 new cars, trucks, minivans and SUVs sold in America and select the top ones in each class as Best Buys.

Consumer Guide Automotive editors analyze, compare and evaluate numerous vehicles by extensively testing all major models available in the United States. According to Consumer Guide Automotive, a vehicle does not become a Best Buy based solely on objective ratings; Best Buys also distinguish themselves as good values compared to other vehicles in their class.
