Mopar Protection Plans and Products Help Vehicle Owners Swing Into Spring

Recently Introduced Mopar Products Perfect for the Season

- Mopar Vehicle Protection (MVP) Road Hazard Tire & Wheel plan provides peace of mind for areas hit hard by “pothole season”
- Road Hazard Tire & Wheel plans available starting as low as \$150
- New Mopar parts, accessories and gear great fits for spring

May 9, 2016, Auburn Hills, Mich. - Now that winter weather is finally in the rearview mirror, don't let a hole in the road put a damper on springtime fun. The Mopar Vehicle Protection (MVP) Road Hazard Tire & Wheel package keeps vehicles rolling in areas where the road gets rough. Mopar also offers many recently introduced products and gear that are perfect for spring.

“From Mopar Vehicle Protection plans to more than 500,000 parts and accessories, the Mopar brand has a full menu to help keep your vehicle in tip-top shape and also reimagine it for spring,” said Ross McGinnis, Vice President, Parts Sales and Field Operations, Mopar. “Enthusiasts can also pick from a full line of Mopar apparel and gear to signal their passion for the brand.”

Mopar Vehicle Protection (MVP) offers a variety of plans that give peace of mind to vehicle owners. The Road Hazard Tire & Wheel Protection package is especially suited for spring, providing coverage for damage due to road hazard conditions that can arise during the dreaded “pothole season.”

The unique plan provides full repair or replacement coverage for all four tires and wheels damaged due to road hazard conditions, plus the cost of mounting, balancing and stems for both original equipment manufacturers (OEM) and aftermarket tires and wheels.

Road Hazard Tire & Wheel Protection packages start as low as \$150. For information on features, benefits and eligibility, as well as for information on other MVP plans, visit an FCA US LLC dealership or go online at www.moparvehicleprotection.com.

Mopar Products and Gear for Spring

In addition to protection plans, Mopar also has season-appropriate parts, accessories and gear. A selection of recently introduced available items and their suggested retail prices include:

Mopar

Mopar is the global name for Stellantis genuine parts and authentic accessories.

A simple combination of the words MOfor and PARts, Mopar offers exceptional service, parts and customer-care. Born in 1937 as the name of a line of antifreeze products, Mopar has evolved over more than 85 years to represent both complete vehicle care and authentic performance for owners and enthusiasts worldwide.

Mopar made its mark in the 1960s during the muscle-car era with performance parts to enhance speed and handling for both on-road and racing use. Later, Mopar expanded to include technical service and customer support, and today integrates service, parts and customer-care operations in order to enhance customer and dealer support worldwide.
