2018 Dodge Grand Caravan Fact Sheet

August 31, 2017, Auburn Hills, Mich. - The Dodge Grand Caravan continues its tradition of offering customers style, versatility and added features at an outstanding value. Since FCA US LLC invented the minivan segment 35 years ago, the innovative Grand Caravan has introduced nearly 80 segment firsts, including ParkView rear backup camera, Stow ‘n Place roof rack and selectable fuel economizer mode. One innovation that continues is the Grand Caravan’s industry-exclusive Super Stow ‘n Go seating, which can be easily operated with one hand, allowing users to convert from carrying seven to hauling cargo in a matter of seconds. The Grand Caravan is equipped with more than 55 available safety, security and technology features.

Highlights

- Standard award-winning 3.6-liter Pentastar V-6 engine delivers 283 horsepower without a penalty at the gas pump, getting up to 25 miles per gallon (mpg)
- More than 55 available safety and security features include standard front seat-mounted side air bags, a driver-side knee blocker air bag, three-row side-curtain air bags, electronic stability control (ESC), tire-pressure monitoring, daytime running lights (DRLs) and remote keyless entry. The available Safety Sphere Package of features includes ParkSense rear park assist, Blind-spot Monitoring and Rear Cross Path detection system
- The Grand Caravan SE is the entry-level model and offers a number of standard features, including remote keyless entry, sunscreen glass, heat and air conditioning in all three rows, third-row Stow ‘n Go with available tailgate seating, 6.5-inch touchscreen radio with ParkView rear backup camera, power locks and power windows in all three rows, power heated mirrors, as well as safety features like trailer sway damping, electronic stability control, seven airbags and daytime running lights
- The 2018 Grand Caravan SE Plus is enhanced with the popular Blacktop Appearance Package and continues to feature the popular Plus Package, offering well-liked features at a sizable value, including 17-inch aluminum wheels, premium cloth seats with silver accent stitching, leather-wrapped steering wheel and shift knob and Uconnect Handsfree Group
- The Grand Caravan SXT offers added content at a great value with standard 17-inch polished wheels with Granite Crystal pockets, leather seats with suede inserts and silver accent stitching, automatic headlamps, fog lamps, power eight-way driver seat, power sliding doors and liftgate and the Stow ‘n Place roof rack. The Security Group, which includes security alarm and remote start, is also standard on the SXT model
- The Blacktop Package, an exclusive customized blacked-out appearance first introduced in 2014, is standard on the Grand Caravan SE Plus and continues to be available on SXT models for 2018. The Blacktop Package includes 17-inch polished aluminum wheels with Gloss Black pockets, a Gloss Black grille, black headlamp bezels, an all-black interior, including headliner, door panels and console, unique black seats and door trim panels with silver accent stitching, a leather-wrapped steering wheel with silver accent stitching and a leather shift knob

Dodge//SRT

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.

Dodge is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
