Four FCA US Vehicles Named 2018 Consumer Guide® Automotive Best Buys

- 2018 Chrysler Pacifica wins both Minivan and Family Vehicle Best Buy awards for second consecutive year
- 2018 Dodge Durango continues as Large SUV Best Buy for sixth consecutive year
- 2018 Ram 1500 named Large Pickup Truck Best Buy every year since 2008
- 2018 Fiat 124 Spider captures Sporty Performance Car Best Buy for second consecutive year

December 5, 2017, Auburn Hills, Mich. - The automotive editors at *Consumer Guide® Automotive* awarded four FCA US LLC vehicles the 2018 Best Buy distinction.

In its second year on the market, the Chrysler Pacifica captures both the Minivan and Family Vehicle Best Buy awards two years in a row. Also for the second consecutive year, the Fiat 124 Spider takes home a Best Buy award, this one in the Sporty Performance Car category.

Dodge Durango earns the Best Buy award in the Large SUV segment for the sixth consecutive year and the Ram 1500 captures the Best Buy award for Large Pickup Trucks for the 10th straight year.

“There's a lot of good product hitting the market these days, but some designs are so well executed that they endure the test of new challengers. In the cases of the Durango and Ram, that is especially true,” said Tom Appel, Publisher of *Consumer Guide Automotive*. “As for the Pacifica, it's simply one of the most thoughtfully designed family vehicles we've ever evaluated. Likewise, the tradition-bound 124 Spider delivers a considerable dose of driving pleasure for a very reasonable price.”

Consumer Guide Automotive editors analyze, compare and evaluate numerous vehicles by extensively testing all major models available in the United States. According to *Consumer Guide Automotive*,a vehicle does not become a Best Buy based solely on objective ratings; Best Buys also distinguish themselves as good values compared to other vehicles in their class.
