

FCA US Ships 10,000th Officer Protection Package for Law Enforcement

- Designed to alert officers of the threat of rear ambush when parked and working in their vehicle
- Offered free of charge on all 2019 Dodge Charger Pursuit vehicles
- Third year for program – first offered in 2017
- Engineered for “plug and play” installation

August 2, 2018, Auburn Hills, Mich. - More than 10,000 [Dodge Charger Pursuit](#) police sedans across the U.S. are now equipped with the Officer Protection Package thanks to an alliance between FCA US LLC and InterMotive, Inc.

The Officer Protection Package combines InterMotive's Surveillance Mode Module™ with FCA's Fleet Safety Group technology – ParkSense rear park assist system and ParkView rear backup camera – to alert officers when movement at the rear of the vehicle is detected.

“The Officer Protection Package is the latest layer of safety to be built into our Charger Pursuit,” said Steve Beahm, Head of Passenger Car Brands, Dodge//SRT, Chrysler and FIAT – FCA North America. “We knew it was the right thing to do for all the men and women who protect us on a daily basis, and we are gratified to know that over 10,000 of these heroes now have a better chance of avoiding rear ambush occurrences. I'm also pleased to announce that we will continue to offer this package free of charge on our 2019 model-year Dodge Charger Pursuits.”

If the system detects motion, a chime will sound to alert the officer of potential danger in the area. The officer can immediately see what is behind the vehicle via the camera monitor. At the discretion of the local law enforcement agency, the tripped sensors can also be programmed to automatically initiate any or all of the following: a signal for the doors to lock, front windows to roll up, reverse lights to turn on and tail lights to flash, giving the officer a few critical extra seconds to assess and react to the situation.

About Dodge//SRT

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge proudly offers a complete lineup of performance vehicles that stand out in their own segments. For 2020, Dodge literally expands its high-performance Charger model lineup, adding a Widebody exterior to America's only four-door muscle car. The 2020 Dodge Charger SRT Hellcat maintains its reign as the most powerful and fastest mass-produced sedan in the world.

The 2020 Dodge lineup also features the 2020 Dodge Challenger SRT Hellcat Redeye, 2020 Dodge Challenger SRT Hellcat, the Challenger R/T Scat Pack Widebody and the 2020 Challenger R/T Scat Pack 1320. The 2020 Dodge Durango SRT, the fastest, most powerful and most capable American three-row SUV, completes the brand's performance lineup. These visceral performance models join a 2020 brand lineup that includes the Durango, Grand Caravan, Journey, Charger and Challenger. Dodge is part of the portfolio of brands offered by global automaker Fiat Chrysler Automobiles. For more information regarding FCA (NYSE: FCAU/ MTA: FCA), please visit www.fcagroup.com.
