Kelley Blue Book Honors Jeep® Wrangler and Dodge Charger with 2019 Best Resale Value Awards

- The most capable and recognized vehicle in the world – the Jeep® Wrangler – earns two 2019 Kelley Blue Book Best Resale Value Awards: Top 10, Off-Road SUV/Crossover segment
- America's only four-door muscle car – the 2019 Dodge Charger – wins the Kelley Blue Book Best Resale Value Award in the Full-size Car segment
- Awards honor vehicles with the lowest projected ownership costs for the first five years of ownership

January 23, 2019, Auburn Hills, Mich. - Kelley Blue Book has named the 2019 Jeep® Wrangler and the 2019 Dodge Charger winners of its Best Resale Value Awards.

Jeep Wrangler has been named Best Resale Value in its class and ranked on the Top 10 list. The Dodge Charger also earned a Best Resale Value Award in the Full-Size Car category.

"Wrangler has been a perennial winner in Kelley Blue Book's annual Best Resale Value Awards. Wrangler is the top dog in the newly created Off-Road SUV/Crossover category and has managed to maintain very high 60-month residual values, which also earns it a Top 10 award," said Eric Ibara, director of residual values for Kelley Blue Book. "The Charger blends its unique style with performance into a one-of-a-kind offering that results in the highest resale values among full-size cars. It last won the segment in 2015, and the fact that it now tops the segment again in 2019 speaks to its strong appeal among American consumers."

Kelley Blue Book's KBB.com Best Resale Value Awards are based on projections from the Kelley Blue Book® Official Residual Value Guide and determined by a skilled staff of automotive analysts. These prestigious awards honor vehicles expected to maintain the greatest proportion of their original list price after five years of ownership.

2019 Jeep Wrangler

The 2019 Jeep Wrangler is the most capable SUV ever and exemplifies Jeep's legendary 4x4 capability that stays true to the original design while providing a fresh, modern take on a renowned profile. With multiple powertrain combinations, including an all-new turbocharged 2.0-liter engine with eTorque technology that features a mild-hybrid system, it is the most powerful and most fuel-efficient Wrangler ever with vastly improved on-road manners for everyday driving. It remains true to its heritage as the original open-air fun-and-freedom machine. A multitude of technology and safety features increases Wrangler's appeal and extends its reach to new customers.

All Wrangler models are Trail Rated with a badge indicating that the vehicle is designed to perform in a variety of challenging off-road conditions identified by five key consumer-oriented performance categories: traction, ground clearance, maneuverability, articulation and water fording. Wrangler Rubicon models are equipped with signature red tow hooks, Rock-Trac® 4x4 system, featuring a two-speed transfer case with a 4:1 low-range gear ratio, front and rear Dana 44 axles, Tru-Lok® electric front- and rear-axle lockers, electronic sway bar disconnect and standard 33-inch BF Goodrich KO2 All-Terrain off-road tires.

2019 Dodge Charger

From the quickest, fastest and most powerful sedan in the world to V-6 efficiency and all-wheel-drive (AWD) capability, the Dodge Charger lineup is designed and engineered to provide the ultimate in high-performance comfort and road-ready confidence as America's only four-door muscle car. Dodge Charger's rear-wheel-drive (RWD) architecture enables a model lineup highlighted by extensive performance-driven powertrains with the latest technology under the hood and behind the wheel – further building on the Dodge brand's promise to deliver

American performance machines with world-class power, efficiency, technology, authentic materials and standout styling.

Standard on every Dodge Charger model is the innovative TorqueFlite eight-speed automatic transmission. Charger offers a full range of powerful engine options on six distinct models, including the award-winning 3.6-liter Pentastar V-6 on Charger SXT, SXT AWD and GT, the legendary 5.7-liter HEMI® V-8 on R/T models, the naturally aspirated 392 HEMI V-8 on Scat Pack models and the 707-horsepower 6.2-liter supercharged HEMI SRT Hellcat V-8.

For 2019, Dodge repositions the lineup to include a new Charger SXT AWD model and a new Charger GT RWD performance V-6 model. Charger GT and R/T models get the performance look and features standard and receive a full complement of race-bred chassis upgrades. Charger Scat Pack and SRT Hellcat feature standard performance upgrades, including Launch Assist and Line Lock; a new performance grille with dual air inlets; new Launch Control switch on R/T Scat Pack; and Torque Reserve, After-Run Chiller on SRT Hellcat.
