February 7, 2019, Auburn Hills, Mich. - Alfa Romeo today unveiled the limited-edition 2020 4C Spider Italia for North America, limited to only 15 vehicles.

The 2020 Alfa Romeo 4C Spider Italia offers driving enthusiasts a mid-engine design inspired by the brand's legendary racing history and represents the essential sportiness embedded in the brand's DNA.

The limited-edition 4C Spider Italia's special standard features include:

- Exclusive Misano Blue Metallic exterior color (not available on any other 4C variant)
- Piano black front air intake and rear diffuser
- Unique livery with dedicated "4C Spider Italia" graphics
- Aluminum dashboard insert with "4C Spider Italia" logo
- Progressively numbered plate on the center console

For customers who are interested in learning more or reserving one of these limited-edition vehicles, please contact sales@alfaromeo.com.

With seating for two, panoramic views and the soundtrack of an Italian performance-tuned engine and exhaust, 4C Spiders are among the most exhilarating experiences in motoring and represent the very core of Alfa Romeo's DNA and heritage.

Advanced technologies include the all-aluminum 1750cc turbocharged engine with direct-injection, dual intercoolers and variable-valve timing, enabling supercar-level performance while also weighing less than 2,500 pounds. The 4C Spider Italia offers drivers superb all-around performance with 237 horsepower and 258 lb.-ft. of torque, powering it from 0-60 mph in 4.1 seconds with a top speed of 160 mph.

Handcrafted in Modena, Italy, the Alfa Romeo 4C Spider offers seductive Italian styling and a state-of-the-art Formula 1-inspired carbon fiber monocoque chassis that enables an incredible 10.4 power-to-weight ratio. A rear backup camera, cruise control and rear park sensors are standard fare as well.

Alfa Romeo

Since its foundation in Milan, Italy, in 1910, Alfa Romeo has designed and crafted some of the most stylish and exclusive cars in automotive history. That tradition lives on today as Alfa Romeo continues to take a unique and innovative approach to designing automobiles. The Alfa Romeo Stelvio sets a new benchmark in performance, style and technology in an SUV. The award-winning Alfa Romeo Giulia delivers race-inspired performance, advanced technologies and an exhilarating driving experience to the premium midsize sedan segment. The Giulia Quadrifoglio and the Stelvio Quadrifoglio feature Alfa Romeo's most powerful production engine ever with best-in-class 0-60 mph times of 3.8 and 3.6 seconds, respectively. Rounding out Alfa Romeo's world-class lineup is the handcrafted Alfa Romeo 4C Spider. Alfa Romeo is part of the portfolio of brands offered by global automaker Fiat Chrysler Automobiles.
