Chrysler Pacifica Receives Good Housekeeping 2019 Best New Car Award for the Second Year in a Row

- Chrysler Pacifica named a 2019 Best New Car winner in the Minivan category; last year, the Pacifica Hybrid took home the top honor in the Hybrid category
- Good Housekeeping Institute experts screened hundreds of new vehicles to identify top makes and models
- Vehicles were rated on safety, value, handling, design, comfort and technology
- The most awarded minivan of 2016, 2017 and 2018, the Chrysler Pacifica reinvents the minivan segment with an unprecedented level of functionality, versatility, technology and bold styling

April 15, 2019, Auburn Hills, Mich. - Good Housekeeping, in partnership with Car and Driver, today named the [Chrysler Pacifica](#) a 2019 Best New Car award winner in the Minivan category. Last year, the Chrysler Pacifica Hybrid took home the [2018 Best New Car](#) in the Hybrid category.

"It's the ultimate family vehicle with all the useful features you want, at an unbeatable value," says Rachel Rothman, Good Housekeeping Chief Technologist & Engineering Director.

"It also has tons of bins and cubbies so everyone has a spot to store their toys and snacks, second-row passengers each get their own LCD screen. Plus, the infotainment system is super-easy to navigate," added Laurie Jennings, Good Housekeeping Institute Director & Lead Consumer Tester.

The Good Housekeeping Institute (GHI) worked with Car and Driver to screen hundreds of new vehicles and identify the top makes and models for 2019. GHI experts logged more than 5,000 miles on test tracks and open roads while assessing the top priorities drivers value in a vehicle: safety, value, handling, interior design, comfort and onboard technology.

To select the best vehicles, engineers, analysts and consumers evaluated several features such as the ease of folding and stowing seats, storage and trunk cargo space, as well as the fit and installation of child safety seats. Bonus points were awarded for innovative technology such as hands-free liftgates and other features that improve the driving experience.

As the original creator of the minivan 35 years ago, FCA US LLC continues to transform the segment with firsts, notching 78 innovations through the first five minivan generations. With the introduction of the Chrysler Pacifica and Pacifica Hybrid, FCA US adds 37 minivan firsts to its portfolio for an unprecedented total of 115 innovations in the segment, including the industry's first minivan available as a plug-in hybrid electric vehicle.

2019 Chrysler Pacifica/Pacifica Hybrid

The Chrysler Pacifica and Pacifica Hybrid reinvent the minivan segment with an unprecedented level of functionality, versatility, technology and bold styling. Re-engineered from the ground up on an all-new platform, the Pacifica delivers class-leading gasoline and hybrid powertrains to the minivan segment. The Pacifica Hybrid takes this revolutionary vehicle a step further with its innovative, advanced hybrid powertrain. It's the first electrified vehicle in the minivan segment and achieves more than 80 miles per gallon equivalent (MPGe) in electric-only mode, an all-electric range of more than 30 miles and a total range of more than 500 miles.

With more than 100 available safety and security features, the Uconnect Theater rear-seat entertainment system, available 4G Wi-Fi and a full array of comfort and convenience technologies, the Chrysler Pacifica has earned its spot as the most awarded minivan since 2016, with both the Pacifica and Pacifica Hybrid serving as no-compromise minivans ideally suited for today's families.

Chrysler Brand

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, and advanced innovation and technology since the company was founded in 1925. Chrysler continues to build on that nearly 100-year legacy of creating ingenious products and technologies for mainstream customers, moving forward on an electrified transformation that will launch the brand's first battery-electric vehicle in 2025 and an all-electric portfolio in 2028.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler created 40 years ago. The Chrysler Pacifica Plug-in Hybrid symbolizes the brand's electrification evolution, representing the first electrified minivan in the segment and achieving 82 MPGe, an all-electric range of 32 miles and a total range of 520 miles. Chrysler Pacifica delivers the most standard safety features and most advanced available all-wheel-drive system in its class and is also the most awarded minivan over the last seven years with more than 175 honors and industry accolades since its introduction as a minivan.
