November 1, 2019, Miami Beach, Fla. - As the Miami International Auto Show opens this weekend, the Jeep® brand is introducing two new limited-edition production vehicles targeted specifically to local Miami consumers: the new Jeep Wrangler and Gladiator “Three O Five” Edition models.

Based on Jeep Wrangler and Gladiator Sport S models and featured in Miami colors of either orange or white, only 305 total “Three O Five” units will be produced. Wrangler models will all feature the Jeep Sky One-touch powertop, marking the first time consumers can enjoy the powertop features on the popular Wrangler Sport S model.

“We are creating these Jeep Wrangler and Gladiator “Three O Five” Edition vehicles as a tribute to our passionate Jeep consumers and dealers who live and work in the area,” said Jim Morrison, Head of Jeep Brand – FCA North America. “We chose a Miami theme for these vehicles because the area’s outdoor vibrant environment is a perfect match for the Jeep open-air freedom lifestyle. We believe consumers in the Miami area will enjoy this nod to their celebrated outdoor community.

“These ‘Three O Five’ Edition models are coming to life with a unique appearance and combination of options, including a Sky One-touch powertop, Sport LED lighting and unique Miami-themed graphics. Dealers will be able to add an array of Jeep Performance Parts from Mopar to recreate the rugged and fun versions on display at the Miami Auto Show,” Morrison added.
