

CANADA: 2022 Ram 2500 & 3500 Heavy Duty Fact Sheet

September 1, 2021, Windsor, Ontario - The Ram Heavy Duty is the no-compromise benchmark for durability, extreme performance, comfort, luxury materials, innovation and technology extending well past any competitive offerings. The most powerful, most capable pickup in the segment offers a towing capacity of up to 16,828 kilograms (37,100 pounds) and a payload capacity of 3,447 kg (7,680 lb.). Ram was the first to achieve the 1,000 lb.-ft. of torque milestone with the Cummins I-6 Turbo Diesel, now rated at a best-in-class 1,075 lb.-ft. of torque. Class-leading ride and handling is accomplished via a class-exclusive link-coil rear (2500) suspension system with optional rear air suspension (2500 and 3500). The Ram Heavy Duty relentlessly gives maximum effort with the segment's most capability, refinement and operator comfort features.

New for 2022

- All-new Uconnect 5 system is standard on Ram 2500 and 3500 Big Horn models and above, four times faster with three times more memory, features Wi-Fi capability, tow-specific navigation and brings flexibility that allows the system to continuously evolve to offer new content, features and services
- 2022 Ram Heavy Duty Big Horn Silver Edition features chrome tow hooks, belt molding, door handle inserts, mirrors, a unique grille and black interior accents. Single-rear wheel models include chrome wheel-to-wheel side steps and 20-inch polished aluminum wheels. Dual-rear wheel models include chrome cab-length steps and 17-inch polished aluminum wheels. Big Horn Silver Edition is available in Crew and Mega Cab configurations
- New for 2022, Ram Power Wagon offers a Level 3 Equipment Package that includes a black grille mesh with a Gunmetal R-A-M grille badge and premium headlamps with Gloss Black surrounds. Inside, a 12-inch Uconnect 5 touchscreen, a powerful 750-watt, 17-speaker Harman Kardon sound system, premium Medium Greystone Natura Plus or optional Bristol leather bucket seats with embossed Power Wagon logo, a console armrest badge and specifications plate badge are included
- 2022 Ram Power Wagon offers an electronic transfer case on Level 2 and is standard on Level 3 equipment packages. Optional features on 2022 Ram Power Wagon include Bristol leather seats on Level 2 Equipment Package and an available full console on Level 2 and 3 equipment packages
- Ram Heavy Duty Limited Black interior updates include Black Onyx cluster rings, cluster badge, door handles, steering wheel logo, electronic shifter knob, glove box logo and Black Smoke speaker grilles
- "Tow mode" now available with digital rearview mirror and allows the driver to see behind the trailer with a remote camera
- Available Trailer 360 View provides enhanced visibility of trailer surroundings with a bird's-eye 360-degree view of the trailer only. Includes four cameras and wiring
- Trailer Hitch Light is now standard on all models, including four LED lights that provide clear, crisp light from directly above the trailer hitch
- 2022 Ram Heavy Duty Big Horn models feature a unique grille design and texture

Highlights

- The most powerful, most capable pickup in the segment:
 - Towing – Up to a best-in-class 1,678 kg (37,100 lb.) with Ram 3500
 - Towing – Up to 9,072 kg (20,000 lb.) with Ram 2500
 - Payload – Up to 3,484 kg (7,680 lb.) with Ram 3500
 - Power – 1,075 lb.-ft. of torque with available High Output 6.7-litre Cummins engine
 - Power – 410 horsepower (best-in-class standard gas engine power) and 429 lb.-ft. of torque with standard 6.4-litre HEMI® V-8 engine
- The Ram 2500 offers two segment-exclusive rear suspensions: a five-link coil system and an air suspension system. The Ram 3500 continues to utilize the rear Hotchkiss leaf spring system and offers

an exclusive supplemental air suspension system

- Industry's leading infotainment system — Uconnect 5 with 12-inch touchscreen
- The Ram Power Wagon is driven by the 6.4-litre HEMI V-8 engine and unique suspension system, both contributing to its title: the most capable production off-road pickup
- Engine options include:
 - 6.4-litre HEMI V-8 delivers best-in-class standard gas engine power – 410 horsepower at 5,600 rpm and 429 lb.-ft. of torque at 4,000 rpm – and features VVT with Fuel Saver Technology cylinder deactivation
 - 6.7-litre Cummins Standard-Output Turbo Diesel produces 370 horsepower and 850 lb.-ft. of torque (Ram 2500 and 3500)
 - 6.7-litre Cummins High-Output Turbo Diesel produces 420 horsepower and 1,075 lb.-ft. of torque (Ram 3500)

Ram Truck Brand

In 2009, the Ram Truck brand launched as a stand-alone division, focused on meeting the demands of truck buyers and delivering benchmark-quality vehicles. With a full lineup of trucks, the Ram 1500, 2500/3500 Heavy Duty, 3500/4500/5500 Chassis Cab, ProMaster and ProMaster City, the Ram brand builds trucks that get the hard work done and families where they need to go.

Ram continues to outperform the competition and sets the benchmarks for:

- 1,075 lb.-ft. of torque with Cummins Turbo Diesel
- Towing capacity of 16,824 kilograms (37,090 pounds) with Ram 3500
- Segment first 1,000 lb.-ft. of torque with Cummins Turbo Diesel
- Payload of 3,484 kilograms (7,680 pounds) with Ram 3500

- Most luxurious: Ram Limited with real wood, real leather and 12-inch Uconnect touchscreen
- Best ride and handling with exclusive link coil rear and auto-level air suspensions
- Most interior space with Ram Mega Cab
- Ram 1500, North America's most powerful half-ton diesel pickup with 480 lb.-ft. of torque, achieves an unsurpassed 7.1 L/100 km highway and delivers over 1,600 kilometres of range on a single tank of fuel
- Ram 1500 TRX is the quickest, fastest and most powerful mass-produced pickup truck in the world
- Most awarded light-duty truck in North America
- Highest owner loyalty of any half-ton pickup
- Over the last 30 years, Ram has the highest percentage of pickups still on the road

Ram is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
