Jeep® Grand Cherokee L Wins 2022 MotorWeek Drivers' Choice Award for Best Large Utility

- First-ever three-row Jeep® Grand Cherokee recognized for its exceptional customer experience
- Grand Cherokee L models deliver an unmatched combination of 4x4 capability, premium styling and craftsmanship, and an impressive lineup of advanced safety and technology features

February 10, 2022, Auburn Hills, Mich. - The all-new, three-row Jeep® Grand Cherokee L, a large utility vehicle designed to deliver unmatched 4x4 capability, performance and luxury, earned top SUV honors in the annual MotorWeek Drivers' Choice awards competition that honors the best new cars and trucks of the year.

MotorWeek named the [2021 Jeep Grand Cherokee L](#) as the Best Large Utility vehicle, applauding its increased interior capacity, next-generation safety features, premium on-road refinement, all-new luxurious interior that showcases modern, handcrafted materials and the most available technology features in its class.

The annual Drivers' Choice awards competition reviews and evaluates vehicles from a buyer's point of view, with the goal to select the best new cars and trucks for a practical guide to shopping.

"When you have something great, you want to share it with as many people as possible. That pretty much sums up our view of the 2021 Jeep Grand Cherokee L, the first three-row Grand Cherokee," said John Davis, host and creator of MotorWeek. "Now, growing Jeep families no longer have to look elsewhere for seven-passenger comfort. But, adding seats has not, in any way, compromised the go-anywhere capability that is the Jeep brand."

An episode of MotorWeek featuring the 2022 Drivers' Choice award winners is currently scheduled to air beginning February 12, 2022, on PBS.

The three-row variant of the Grand Cherokee, the most awarded SUV ever, debuted last year to meet the growing needs of Jeep customers who have asked for more space and functionality. Designed to maximize overall passenger comfort, the Grand Cherokee L delivers uncompromised third-row capacity and increased cargo volume with seating for up to seven passengers. The vehicle's expanded wheelbase creates generous interior room and gives passengers expansive, class-leading legroom in the second row.

Jeep Grand Cherokee L 4x4 models (Limited and above) come standard with the class-leading Selec-Terrain traction management system, which offers five available terrain modes (Auto, Sport, Rock, Snow, Mud/Sand) to provide optimized calibrations for any given driving scenario.

With premium styling and craftsmanship inside and out, the Jeep Grand Cherokee L has more than 110 advanced safety and security features, including an impressive amount of standard safety features, plus available driver-assist systems, 360-degree surround view, drowsy driver detection and night vision cameras. Segment-leading technologies include a 10.25-inch front passenger screen (available on 2022 Limited, Overland and Summit models), rear-seat monitoring camera system, rear-seat entertainment displays with built-in Amazon Fire TV (available on 2022 Limited, Overland and Summit models) and an available premium 19-speaker, 950-watt McIntosh audio system.

The entire Jeep Grand Cherokee L lineup also comes equipped with the award-winning Uconnect 5 infotainment system, with standard wireless Apple CarPlay and Android Auto.

The iconic fifth-generation [Jeep Grand Cherokee](#) – the most awarded SUV ever – is known for its legendary 4x4 capability, superior on-road refinement, premium styling and craftsmanship inside and out, and now for 2022 an expanded lineup includes a two-row, a 4xe plug-in-hybrid model and three-row [Grand Cherokee L](#) model.

The all-new 2022 Jeep Grand Cherokee builds on its legacy as the most awarded SUV ever by introducing a new plug-in hybrid powertrain. The first-ever Grand Cherokee 4xe is set to deliver an estimated 25 miles of all-electric range, 56 miles per gallon equivalent (MPGe) and a combined driving range of more than 470 miles (756 km).

MotorWeek

MotorWeek is television's longest running and most respected automotive series. Debuting in 1981, MotorWeek launched a new television genre by becoming the first weekly series to offer consumer-oriented car and truck reviews, do-it-yourself car care tips and the latest auto industry news. Produced by Maryland Public Television (MPT), the award-winning series is now in its 41st season. The winner of numerous automotive journalism awards, MotorWeek is a reliable and trusted source of automotive news on television and on the web.

Distributed nationwide and overseas by MPT, MotorWeek airs on 92% of PBS broadcast stations and can also be seen on cable/satellite on MAVTV. MotorWeek programs are accessible via the PBS Living channel on Prime video, part of Amazon's streaming subscription service. Program excerpts are available to viewers on the program's website MotorWeek.org and on its YouTube channel, [youtube.com/MotorWeek](https://www.youtube.com/MotorWeek). Fans can like MotorWeek on Facebook and also follow the series on Instagram and Twitter.

Jeep Brand

Built on more than 80 years of legendary heritage, Jeep® is the authentic SUV brand that delivers legendary off-road capability, interior refinement, high-tech features and versatility to people who seek extraordinary journeys. The Jeep brand delivers an open invitation to live life to the fullest by offering a broad portfolio of vehicles that continues to provide owners with a sense of safety and security to handle any journey with confidence. Jeep Wave, a premium owner loyalty and customer care program that is available to the entire Jeep 4x4 lineup, is filled with benefits and exclusive perks to deliver Jeep brand owners the utmost care and dedicated 24/7 support. The legendary Jeep brand's off-road capability is enhanced by a global electrification initiative that is transforming 4xe into the new 4x4. All Jeep brand vehicles in North America will offer an electrified variant by 2025.
