2011 Dodge Charger Pursuit

August 24, 2010, Auburn Hills, Mich. -

America's high-performance police vehicle - the all-new 2011 Dodge Charger Pursuit - has arrived, providing law-enforcement the best combination of tactical technology, safety, power, efficiency and an iconic design that makes any suspect stop in a panic.

The all-new Dodge Charger Pursuit's performance suspension tuning, heavy-duty anti-lock vented-disc brakes (ABS), front- and rear-stabilizer bars, 18-inch performance tires on steel wheels and two-mode police-specific Electronic Stability Control (ESC) calibration make it hot-pursuit ready. For world-class ride and performance handling dynamics, the Dodge Charger Pursuit features a rear-wheel drive design and redesigned front and rear multi-link suspension geometries to deliver a smooth comfortable ride for law enforcement officers who spend long days protecting our streets.

Designed with the guidance of the brand's Police Advisory Board, the 2011 Dodge Charger Pursuit's mobile-command interior features a Police Interface Module for easy equipment integration, police-duty front seats, column-mounted automatic transmission with Auto Stick, red/white LED interior lighting for night-vision equipment and more.

Dodge Charger Pursuit surrounds the heroic men and women who protect us with uncompromising safety and security equipment, including standard advanced multistage driver and front-passenger air bags, seat-mounted side-thorax air bags, supplemental side-curtain air bags for front and rear outboard passengers, driver's knee bag, tire-pressure monitoring and more.

Behind its sinister face, the Dodge Charger Pursuit offers an all-new standard E-85 capable 3.6-liter Pentastar V-6 engine with variable-valve timing (VVT) and available legendary 5.7-liter HEMI™ V-8 engine with fuel-saving Multi-displacement System (MDS).

The all-new 2011 Dodge Charger Pursuit will be available for ordering in September 2010 through Chrysler Group LLC's fleet operations. For more information, visit www.fleet.chrysler.com.
